You are expected to attend meetings associated with the work-based learning program throughout the year. It is your responsibility to make arrangements for a work schedule that allows participation in the school-based component of this program. **You are expected to make arrangements with your employer well in advance of your meeting requirements so that work schedules can be arranged to accommodate your needs.** If there is an issue with the employer's willingness to participate in establishing your work schedule to accommodate required meetings you should contact Ms. Puckett, the Career Pathways Facilitator so that an intervention can be arranged. You should bring your portfolio notebook to all meetings.
